

Ahmad Bishr Nasra

MD Candidate (Expected 2026) | Faculty of Medicine, Damascus University

Damascus, Syria | ahmadbishrnasra@gmail.com | +963 930 560 990

ORCID | [Google Scholar](#)

PROFESSIONAL SUMMARY

Final-year MD candidate with peer-reviewed work across oncology, surgery, public health, medical education, medical ethics, and clinical case research. Experienced in multicenter research coordination, observational study design, SPSS-based statistical analysis, and scientific manuscript preparation. Current academic profile includes 14 peer-reviewed journal articles, selected conference abstracts across ESMO, ASCO, SABCS, SAMS, MedGlobal, and national oncology meetings, peer-review activity across 14 international medical journals, and statistical-analysis contributions to 50+ research projects.

EDUCATION

Doctor of Medicine (MD)

2020 - Expected 2026

Faculty of Medicine, Damascus University

- Cumulative Average: 86.88%

High School Diploma - Scientific Stream

- Final Score: 98.1%

EXPERIENCE

Clinical Elective in Emergency Medicine

Sep 22 - Oct 19, 2025

American University of Beirut Medical Center (AUBMC), Beirut, Lebanon

- Completed a four-week supervised clinical elective in emergency medicine at a tertiary academic medical center.
- Gained exposure to acute care practice and patient management in a high-volume academic hospital setting.

Project Manager - Medical Research Empowerment (MRE)

2025 - Present

- Coordinate collaborative research workflows involving multiple student researchers and multicenter projects.
- Support protocol development, survey design, project organization, follow-up, and journal submission workflows.

Researcher - Faculty of Medicine, Damascus University

2024 - Present

- Contribute to oncology, public health, medical ethics, medical education, and clinical case research projects.
- Support study design, questionnaire adaptation, data cleaning, variable coding, and statistical analysis using SPSS.
- Conduct descriptive and inferential analyses, including chi-square and Fisher exact tests, t-tests, non-parametric comparisons, logistic regression, and multivariable models.
- Performed statistical analyses for 50+ observational and questionnaire-based research projects, with manuscript-ready tables and results narratives.

ACADEMIC LEADERSHIP & TEACHING

Co-founder and Presenter - Damascus University Journal Club

2026 - Present

Faculty of Medicine, Damascus University

- Co-founded the first journal club at Damascus University, establishing a student-led platform for critical appraisal, evidence-based medicine, and structured discussion of medical literature.
- Prepare and deliver sessions for medical students on study design, methodology, statistical interpretation, clinical relevance, and research limitations.

- Mentor junior students in reading scientific papers, understanding research methods, developing research questions, and engaging with academic opportunities.
- Support students' involvement in research by guiding project selection, manuscript interpretation, presentation skills, and collaboration within active research teams.

PEER-REVIEWED JOURNAL ARTICLES (14)

1. **Nasra AB**, Al-Dairy A, Almohamad A, Jabr A, Al-Dairy Y. Supravulvar aortic stenosis with aneurysmal dilation and infective vegetations of the aortic arch in a pediatric patient with Williams syndrome: a case report and review of the literature. *Journal of Medical Case Reports*. 2026. doi:10.1186/s13256-026-05868-5.

SELECTED CONFERENCE ABSTRACTS, PRESENTATIONS & AWARDS

European Society for Medical Oncology (ESMO) Congress *Madrid, Spain*

2026

- Accepted e-Poster: Gaps in undergraduate oncology training and confidence among recent Syrian medical graduates (Abstract #4562).
- Accepted e-Poster: Family History of Cancer, Perceived Cancer Risk, and Readiness for Preventive Behavior Change Among Adults in Syria (Abstract #5376).
- Accepted e-Poster: Beyond Anticancer Treatment: Practical Unmet Needs, School Disruption, and Family Strain Among Syrian Children With Cancer (Abstract #8677).
- Accepted e-Poster: Missed prompt evaluation of gastrointestinal alarm symptoms: prevalence, recognition gaps, and barriers (Abstract #8540).

Syrian American Medical Society (SAMS) 24th International Conference

2026

- Second Place Poster Award, Day 1 (presenting author): Unmet Needs in a Preventable Condition: Iron-Deficiency Symptoms, Knowledge, and Screening Gaps Among Syrian Adolescent Girls.
- Presenting author: Multilevel Determinants of Surgical Outcomes in Syria: A National Multicenter Prospective Cohort Study.
- Co-author on 21 accepted abstracts/posters at SAMS 2026.

MEDGlobal - Best Scientific Research Competition at the New Syria Conference

2026

- Presenting author: Daily Commuting, Insomnia, Mindful Attention, and Academic Performance-Related Behaviors Among Students at Damascus University.
- First Place Poster Award (co-author): Syrian Patients as Partners in Rebuilding Post-War Medical Education: Perspectives on Undergraduate Medical Student Participation in Clinical Care.
- First Place Poster Award (co-author): Emergency Care Competence & Resource Gaps Among Syrian Physicians: Implications for Health System Recovery.
- Third Place Poster Award (co-author): Landmine and Explosive Remnants of War Safety in Syria: a cross-sectional survey of civilian knowledge, attitudes, and practices.
- Co-author on 7 accepted posters at MedGlobal 2026.

American Society of Clinical Oncology (ASCO) Annual Meeting

2026

- Determinants of skin cancer prevention and early detection behaviors in Syria: A cross-sectional survey. Online abstract, Abstract No. e22557.

San Antonio Breast Cancer Symposium (SABCS)

2025

- Fasting During Ramadan in Breast Cancer: Practices and Outcomes. Poster presentation, Abstract PS1-13-09

30th Annual Conference of the Syrian Association of Oncology

2025

- Synchronous Bilateral Breast Cancer with Heterogeneous Histology: Invasive Ductal and Lobular Carcinoma: a case report. Poster presentation.

PEER REVIEW ENGAGEMENT

Peer Reviewer

2025 - Present

- Completed 30+ peer reviews across 14 international medical journals.
- Reviewer for Annals of Medicine & Surgery; Breast Cancer: Targets and Therapy; Cancer Management and Research; Clinical and Experimental Gastroenterology; International Journal of Emergency Medicine; International Journal of General Medicine; Journal of Inflammation Research; Journal of Medical Case Reports; Journal of Pain Research; Primary Health Care Research & Development; Psychology Research and Behavior Management; Risk Management and Healthcare Policy; SAGE Open Medical Case Reports; The American Journal of Case Reports.

RESEARCH & TECHNICAL SKILLS

- Statistical analysis and data management: IBM SPSS; data cleaning; variable coding; codebook preparation; descriptive statistics; chi-square and Fisher exact tests; t-tests; Mann-Whitney U and Kruskal-Wallis tests; correlation analysis; binary logistic regression; ordinal logistic regression; linear regression; reliability analysis; sensitivity analyses; manuscript-ready statistical tables.
- Research methodology: observational study design; cross-sectional and questionnaire-based research; cohort-study workflows; survey design and adaptation; pilot testing; participant recruitment workflows; ethics documentation.
- Scientific writing and publication workflow: manuscript drafting; abstract preparation; poster preparation; results interpretation; response-to-reviewer letters; journal submission preparation; formatting according to journal guidelines.
- Research coordination and mentorship: coordinating student research teams; managing multicenter collaborations; tracking project progress; communicating with co-authors; supporting junior students in research design, statistics, and manuscript preparation.

PROFESSIONAL MEMBERSHIPS

- Undergraduate Student Member, European Society for Medical Oncology (ESMO), 2026 - Present.
- Member, American Society of Clinical Oncology (ASCO), 2026 - Present.

CERTIFICATIONS & ACADEMIC TRAINING

- Coursera Scholarship Recipient; 13+ certified courses from international universities.
- Certified First Aid Training.

LANGUAGES

- Arabic (Native); English (Fluent); German (Learning); French (Basic).
